

Red Beet Potato Salad

This TASTES better than it LOOKS! It is scrumptious and easy to make!

- *from Denise's Kitchen*

Ingredients:

1 can of cut beets, drained
2 large organic red potatoes, cubed with skin on
4 organic carrots, thickly sliced
3 tbsp of good quality "vegenaise"
2 tbsp of honey dijon mustard
Sea salt & black pepper to taste
Organic romaine lettuce

Directions:

Steam the cubed potatoes & sliced carrots for 10 minutes or so, until just tender (not too long!). Drain & combine with the beets, vegenaise, mustard, salt & pepper. Serve warm over freshly torn romaine lettuce leaves. How easy is that? You're going to love the flavor!
